

Are Farms All the Same?

11 Did you know that lots of the food that we eat
14 comes from farms?
24 There are different sorts of farms. They are not all
33 the same. Some farms are big and some are
42 small. There are farms that grow crops and there
49 are farms that have animals. Vegetables, meat,
58 wool and dairy products can all come from farms.

68 A farm that grows crops is called an arable farm.
78 A farm that raises animals is called a pastoral farm
89 and a farm that has both is called a mixed farm.
100 A person that works on a farm to grow crops or
106 raise animals is called a farmer.
