

Answers - Stage 4 - The Maya:

1. Mexico and Central America
2. 1697 CE
3. A king (don't accept the king as it shows a lack of understanding that each city had their own king)
4. A type of corn
5. One of: tortilla, porridge or drinks

S: They invaded other cities and took prisoners to sacrifice

S: They knew how to work metal, were great mathematicians and had an advanced calendar

V: Awaited

V: A way of looking at the world / shared stories and music and traditions

I: They had to lift everything into place with slaves, rather than on wheels
