

## Homework

### Year 3 Thursday 19<sup>th</sup> June

Please complete and return work completed in your homework book on Tuesday.

Dear Parents,

Please remember:

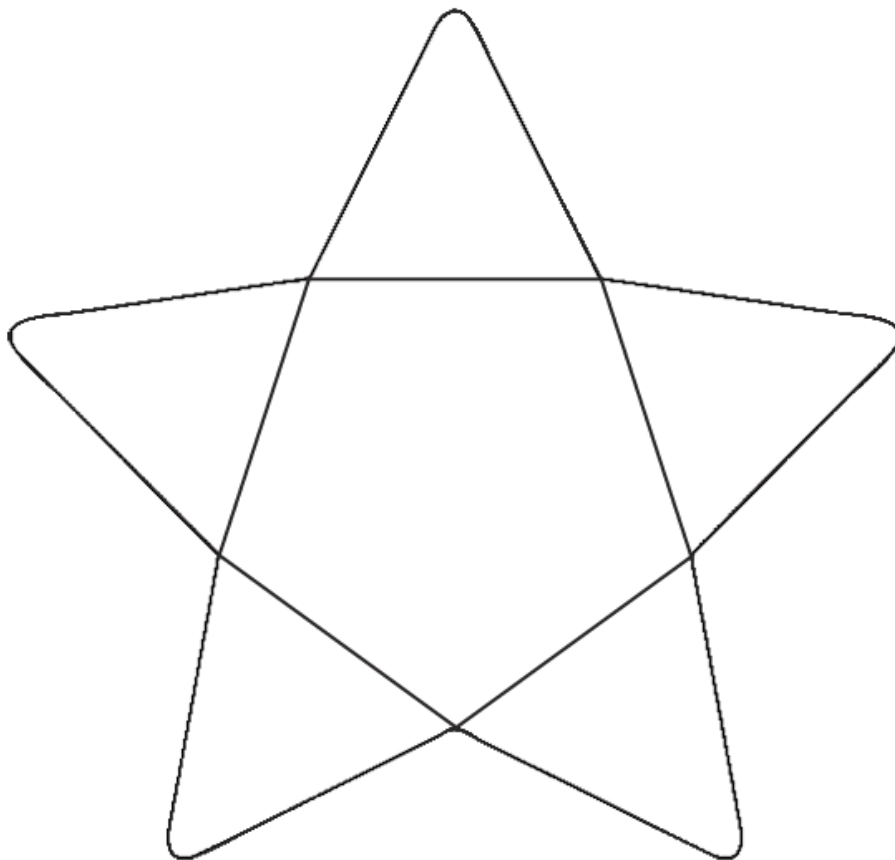

- Reading Records to be in every day. They will be changed once a week. Please listen to them read and sign the Reading Record.
- Please remember to put your name in your uniform as we already have some lost jumpers and cardigans.
- Please can you check your child's pencil case to see if they need new pencils or glue.

Thank you for your continued support.

## **My Strengths**

What have you achieved? What are you good at? Which skills and interests do you have that make you, you? What do others like about you? Why are you special?

Record all your strengths on this star. If you get stuck, ask family and friends for their thoughts!

# Adding Fractions

Work these calculations out.

For each addition calculation, write a matching subtraction calculation.

E.g.  $\frac{5}{9} + \frac{4}{9} = \frac{9}{9}$   
 $\frac{9}{9} - \frac{4}{9} = \frac{5}{9}$

1.  $\frac{5}{9} + \frac{4}{9} =$

2.  $\frac{5}{8} + \frac{2}{8} =$

3.  $\frac{3}{9} + \frac{5}{9} =$

4.  $\frac{5}{12} + \frac{6}{12} =$

5.  $\frac{8}{14} + \frac{5}{14} =$

6.  $\frac{7}{12} + \frac{4}{12} =$

7.  $\frac{9}{15} + \frac{4}{15} =$

8.  $\frac{7}{16} + \frac{8}{16} =$

9.  $\frac{3}{15} + \frac{5}{15} + \frac{4}{15} =$

10.  $\frac{3}{11} + \frac{4}{11} + \frac{2}{11} =$

11.  $\frac{3}{16} + \frac{7}{16} + \frac{5}{16} =$
