

Homework

Year 3 Thursday 26th June

Please complete and return work completed in your homework book on Tuesday.

Dear Parents,

Please remember:

- Reading Records to be in every day. They will be changed once a week. Please listen to them read and sign the Reading Record.
- Please remember to put your name in your uniform as we already have some lost jumpers and cardigans.
- Please can you check your child's pencil case to see if they need new pencils or glue.

Thank you for your continued support.

Maths

We were working on these multiplication wheels in maths this week, so I thought it would be good to consolidate this at home as well.

Multiply the numbers by the middle number.

Transport Branching Database

Task:

The pictures below show different types of transport. Cut out all the pictures.

Use the yes/no questions in the **Transport Branching Database** on the next sheet to sort each item of transport into the correct position.

Challenge:

Look at the **Transport Branching Database Challenge**. Some of the data is missing.

Complete the branching database by adding suitable yes/no questions and the possible missing type of transport.

Disclaimer: To ensure the safety of the children in your setting, it is your responsibility to assess whether adult supervision or other appropriate safety measures are required when using scissors.
