

Homework

Year 6

Thursday 12th March 2026

Dear Parents,

Please ensure that your child completes the homework set every week and returns it to school on a **Tuesday**. Please also make sure that your child completes the page or pages that I have set, so that everyone is practising the same skill. Work set from the CGP books needs to be completed in the book (not in homework books). Please see below for homework this week.

Reading

Please remember to read with your child **daily** and support them with understanding through comprehension of the text and not just decoding. Please sign and date the reading record each time you hear them read. If you have any comments you wish to write about your child's reading, please do so.

Science:

All of our schools are taking part in a British Science Week competition. This year's theme is:

Curiosity: What's your question?

For this homework, you need to think like a scientist and follow these three steps:

1 Think of a Question

Come up with a science question you are curious about. For example, something about how things work, what might happen, or why something changes.

2 Do an Experiment

Plan and carry out a simple experiment to try to answer your question. Think about what you will test and what happens.

3 Present Your Work

Show your question, your experiment, and what you found out in a creative way. You could use:

a poster

a drawing or labelled diagram

a model

a PowerPoint

a short explanation or speech

Make sure you include:

Your question

What experiment you did

What you discovered

There will be a competition across all the schools in the trust, so be creative and have fun exploring your scientific question! ✨

Maths:

This week in maths, we have continued working on algebraic expressions and balanced equations.

TASK: Complete pages 46 – 48 in your CGP Maths Book. Mark your work using the answers in the back of the book. Continue to spend time brushing up on your times tables so that they are really quick and fluent. **This is due in on Tuesday 17th March.**

Spelling:

This week's spellings are words with endings which sound like /shuhl/ after a vowel letter. Remember, as well as being able to spell them, you need to be able to use them in context.

official	crucial
special	facial
artificial	beneficial
social	superficial
racial	antisocial

Reminders

- Reading Records to be in every day.
- PE Kits should be in school at all times. Our PE days are Wednesdays (indoor – **yellow t-shirt, black shorts**) and Fridays (outdoor – **yellow t-shirt, school PE sweatshirt, black jogging bottoms, trainers**). Please ensure that **all** kit and uniform has your child's name on.

Thank you for your continued support.

Mrs Skelton and Mrs Puntrello
