

4 Circle the numbers that are answers in the ten times table.

38 70 25 50 100 40 88 120 45 20

5 Complete these multiplications.

$$4 \times 10 = \square$$

$$9 \times \square = 90$$

$$\square \times 10 = 70$$

$$10 \times \square = 100$$

$$6 \times \square = 60$$

$$\square \times 10 = 30$$

$$5 \times 10 = \square$$

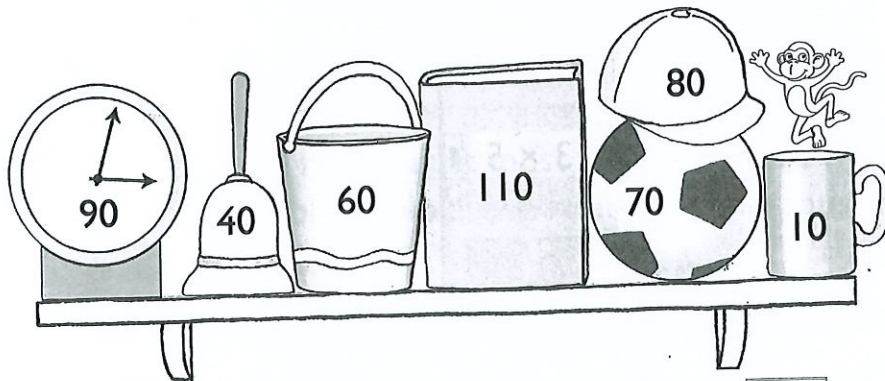

$$2 \times 10 = \square$$

$$\square \times 10 = 10$$

$$\square \times 10 = 80$$

Parent tip
Look for answers in the ten times table on everyday objects.

6 Here are some objects on a shelf. Find the number on each object then complete the multiplication.

cap $\square = \square \times 10$

mug $\square = \square \times 10$

bucket $\square = \square \times 10$

book $\square = \square \times 10$

football $\square = \square \times 10$

clock $\square = \square \times 10$

bell $\square = \square \times 10$

How much did you do?

Questions 1-6

Circle the star to show what you have done.

6: Special names

When we write **someone's name**, or the **name of a day**, we should start it with a **capital letter**.

Kim's birthday is on **Tuesday**.

Get ready

Write each child's name again correctly.

charlie

abbie

jamelia

megan

kim

amina

alfie

Teacher's tips

Here's a rhyme to help you remember how to spell the names of days:
 It's **a** in **M**onday, but **u** in **S**unday!
 A **u** in **T**hursday and **S**aturday too.
 A tricky **e** in **T**uesday, a silent **d** in **W**ednesday
 But the **i** in **F**riday is easy for you.

Let's practise

Write the days of the week in **order**.

Friday Monday Saturday Sunday
 Thursday Wednesday Tuesday

8 Sunday M _____

9 Fill in the **name** of each **day** in this rhyme.

Solomon Grundy

Born on M _____

Christened on T _____

Married on _____

Ill on _____

Worse on _____

Died on _____

Buried on _____

That was the end of Solomon Grundy.

Have a go

Look at a calendar and write down the names of the months in order. Remember to begin each month with a capital letter.
