

Chocolate Maths Tally Chart Activity

Count the sugar-coated chocolate beans of each colour. Then, complete the tally chart to show the data.

Colour	Tally	Total
red		
yellow		
green		
blue		
purple		

Create a tally chart using your own packet of sugar-coated chocolate beans.

Colour	Tally	Total

Answer these questions using the data in your tally chart.

1) Which colour is there the most of? _____

2) Which colour is there the fewest of? _____

3) How many chocolates altogether? _____
