

Answers - Tutankha-whom?:

1. Inconclusive
2. It is easily recognisable by most people
3. (Even) less known
4. Fate
5. It says it remained undisturbed

I: Because he took the throne when he was only 9 years old

R: Gold

I: There was more than one female mummy found and the one they assume is his mother was the youngest. The word helps to differentiate between the mummies found.

S: He was born, he took the throne and changed his name, he married his sister, he had two daughter and then died.

E: It uses the name Tutankhamun and changes it to be about who it is.
