

*At St. Joseph's we live, love and learn by the example of Jesus*

4 April 2025.

Dear Parents,

We are privileged today and extremely proud to bring you the outcome of our RE Inspection that took place this half term. The inspection is also known as a Section 48 Inspection, we had our previous inspection in January 2018. We are delighted to announce that in all 9 areas of inspection we received an outstanding grade. We are incredibly proud of the whole report, and being recognised that we are outstanding in all elements of the inspection framework.

Our report truly celebrates everything that St Joseph's stands for. It was a rigorous two days but an Inspection that was a joy to be a part of, as we were able to show our hard work, progress and achievements made during the past 6 years since our last inspection.

We are especially pleased with the comments, which is a credit to all of our pupils, committed staff and leaders of our school:

“The positive, nurturing environment plays a crucial role in the success of the pupils, not only in their academic achievements but also in their personal growth.”

“The inclusive nature of the school shines through in all its work including prayer and liturgy, where everyone is invited to take part in ways that nurture and support their spiritual growth.”

When it comes to Religious education and learning the inspectors found that:

“Pupils achieve outstanding outcomes in religious education, demonstrating strong religious literacy and the ability to base their thoughts and reflections on scripture”

For this, we thank all staff members who have been a part of our relentless drive ensuring high expectations for all, which has resulted in high expectations for both staff and pupils.

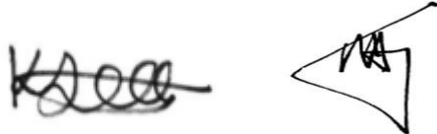

Leaders and governors at St Joseph's are fully committed to ensuring that religious education holds equal importance to other core subjects, making it central to the whole school curriculum. We are extremely proud that all the hard work of the pupils, staff and Governors with the support of the Trust, has been recognised. St Joseph's is and always has been a strong

community and we thank you, our parents for your constant and consistent support of all school life.

We are committed as a Governing body and Leadership team to always ensure the very best for every child.

The full report is attached.  
It is also on our school website.

Yours sincerely.

The image shows two handwritten signatures in black ink. The signature on the left is cursive and appears to be 'K Moseley'. The signature on the right is more stylized and appears to be 'M A McKay'.
