

# Homework

## Year 6

Thursday 5<sup>th</sup> March 2026

Dear Parents,

Please ensure that your child completes the homework set every week and returns it to school on a **Tuesday**. Please also make sure that your child completes the page or pages that I have set, so that everyone is practising the same skill. Work set from the CGP books needs to be completed in the book (not in homework books). Please see below for homework this week.

### Reading

Please remember to read with your child **daily** and support them with understanding through comprehension of the text and not just decoding. Please sign and date the reading record each time you hear them read. If you have any comments you wish to write about your child's reading, please do so.

### English:

This week in English, we have continued looking at how dialogue is used to engage the reader and move the narrative on. Today has been World Book Day, so we have been engaged in fun activities to do with reading.

**TASK: Prepare to talk about your favourite book – it can be one you've recently read that had a real impact on you or one that is an old favourite. Think about why you like it and how you'd persuade others that it's a good read. Prepare a short persuasive speech to convince your classmates to read this book – remember the persuasive devices we used in our recent work on persuasive speeches. This is due in on Tuesday 10<sup>th</sup> March.**

### Maths:

This week in maths, we have continued working on the order of operations and will now extend into algebraic expressions and balanced equations.

**TASK: Have a go at the World Book Day maths puzzles. This is due in on Tuesday 10<sup>th</sup> March.**

### Spelling:

This week's spellings are challenge words from the Year 5/6 statutory spelling list. Remember, as well as being able to spell them, you need to be able to use them in context.

attached	controversy
available	correspond
